## BUNYIP - GARFIELD PROBUS CLUB

Our first meeting for the year was well attended. The guest speaker was John Hewson who gave an interesting talk about Sir John Monash who was a General in the Military during the First World War and was in the campaign at Gallipoli.

The Fabulous Film group saw Meg Ryan and Billy Crystal in (When Harry Met Sally) we remembered the famous scene in the cafe.

The Gardeners revisited a couples lovely garden at Pakenham after a wander around admiring how everything looked good even though it was a hot day. We then had afternoon tea with lots of special yummy cakes.

Our Walking Group drove to Cowes for their walk and after went to the Cowes RSL for Lunch.

The Craft Group got together to show each other what they had been working on over the Christmas Break.

Gardeners Group had another day out when they went to Robert Gordon Pottery at Pakenham. They had lunch first before having a look around at the wide range of Pottery.

At the March meeting we held our AGM. The President talked about some of the outing we had enjoyed over the year and thanked his Committee and said it made his job easy. He wished the incoming Committee all the very best for the coming year that will be full of Fellowship and Fun for all.

Film Group saw an old movie that I don't think we knew. It was ( Madeleine ) which was interesting.

The Walkers went down to Kilcunda for their March walk by the sea and after had lunch at the Kilcunda Hotel where we could overlook the ocean..

## *TALKIN' ...FISHIN'..... THINK LOCAL*

### **“The times they are a changing”**

*In days reminiscent of Covid lockdown our travel is once again restricted but this time not by Government but by fuel supply shortages, Middle east conflict will affect our fuel stocks, prices and movements for a while yet. So, if you still want to go fishing consideration must be given to locations closer to home. On your list will be those waters you generally overlook, like lakes small streams, dams and estuaries. You may even discover fish stocks you never knew existed. This might also be a good time to introduce your youngest family members to the passion of fishing, nothing like seeing a child light up with their first catch and how they react. Don't be surprised what you may catch, in some waterways there will be a large population of small fish, and other small waters have a resident stock of larger fish, never underestimate the environment they can live in. Locally, we can fish in productive locations like the Tarago River (from main road Neerim to Robin Hood reserve) Bunyip River and Garfield Recreation Reserve (Dam at the rear of the oval). No need for a Snapper outfit, gear down in size, pack in some floats and a tin of worms or a collection of flies and be prepared to enjoy yourself. It doesn't matter how many times the kids 'plop' a float back in the water, they will still be in the zone and it's like looking at a toy that floats, occasionally toss in some berley around the float to keep the fish in the vicinity for them or to entice a fish to come into the zone.*

*Backwaters around Tooradin will cater for the same gear, rod and reels or pole fishing. Tide times will determine your best times to fish. **Check your fishing licences are current!***

# Bakery's Act Of Kindness

By Roman Kulkewycz

The Bunyip Bakery has initiated a program to help people struggling in the local community. Bakery owners Coral Zitek and partner Dylan Fielder are giving away a free sandwich, or a loaf of bread or a bag of rolls to locals who may be struggling with the rising cost of living. Coral said that recently a customer came into the shop and mentioned that they couldn't afford to buy much that triggered the idea for her to help financially struggling customers.

Coral and Dylan know what it's like to have little money "For many years we were one of those families living on "Struggle Street", wondering how we could afford the groceries for the week. Utilising pay later services, or trying to "bulk" simple meals, "even at times not eating at all" said Coral.

"Last week we received a call from one of our local schools, advising that two students had no access to school lunches that week. Thanks to the kindness of everyone we are sending a care package off to the school to ensure they both have access to good food. We have approached some local schools to offer a "care package" for the school to distribute either to families or students who need help. That way families and/or students are being cared for.

We have also approached a local charity and will have a conversation to see if we can team up and make a bigger impact utilising their knowledge and experience.

We will contact the local independent Living Retirement Village to see if we can bring a care packages to them to leave out for residents to utilise. As that is a great way to give help without taking away from their independence.

For those wondering what care packages will look like we are looking at fruit, tomatoes, bread, savoury items, rolls and other items depending on what is food safe to do."

Coral has made up "Gift of Food" vouchers to the value of \$4 for distribution. Customers when in the shop have been chipping in to help defray expenses.

Dylan said that little acts of kindness are infectious and make people aware that others may be struggling. "Hopefully with everyone's support, and our drive and passion we as community can help lessen food insecurity for the most vulnerable in our community as everyone deserves access to nutritious food".

# The birds are back - and Garfield is loving it!

These stunning bird photos taken at Lover's Lane in Garfield, Victoria are a wonderful reminder of why community-led Landcare matters.

The Cannibal Creek Catchment Landcare Group began planting at the site in 2023, and many of the trees have already reached an impressive 5 metres in height.

Over the last 4 years a mix of community, school and corporate volunteers—along with neighbouring Landcare groups—have helped the revegetation effort progress rapidly. The site now provides important habitat for local wildlife, with over 60 bird species recorded so far. It also forms part of Cardinia Shire's Biolink Plan.

Members have been working hard to manage weeds and wasps, especially as the Asian Paper Wasp nests have been keeping them on their toes!

Their efforts are paying off: in addition to the thriving birdlife, endangered Southern Brown Bandicoots were spotted at the site last year. The group is now installing bandicoot shelters to support this vulnerable population.

Keep an eye on the group's Facebook page for more Lovers Lane photos. Or if you're in the neighbourhood, their first planting for 2026 is planned for 3 May: [cannibalcreeklandcare@gmail.com](mailto:cannibalcreeklandcare@gmail.com) for more information.

Reducing Bunyip and Districts carbon footprint

---

## Getting off Gas:

In case you missed us at Bunyip Community Market last week here are our key take-away messages:

**A combination of electrification and renewable sources will substantially reduce your cost of living in the long term.**

You don't have to do it all at once, but as your old gas appliances need replacing consider going electric.

- **Heating/Cooling:** Reverse cycle systems use ¼ of the energy to produce the same temperature as older systems
- **Water heating:** An electric heat pump system will roughly halve your consumption.
- **Cooking:** An induction stove top heats the pot not your kitchen! They do not emit dangerous fumes and portable plug-in versions are available at a very reasonable price.
- **Things you can do today:** Minimise your consumption by sealing draughts, installing LED lighting, and zoning your home so you do not waste energy heating/cooling the areas you do not use.

### Did you know?

Government rebates are still available for most of these energy upgrades!

A **massive thank you to RES** for providing extra funds to enable our soft plastics collect to continue until the next round of funding comes available from Our Community Bank.

Disappointed to see someone at Koolangarra Park removed the plaque acknowledging a generous BRAG founding member as the donor of our first solar light. If anyone witnesses any disrespectful behaviour, please report it.

# Welcoming Our New Branch Manager

*Community Bank Bunyip is delighted to welcome Paul Cairns as our new Branch Manager, and we look forward to introducing him to the many customers, businesses and community groups who make our region such a great place to live and work.*

*Paul brings more than 15 years of experience in the banking industry including leadership roles with major financial institutions. During that time, he has worked across personal banking, home lending and small business banking, helping individuals, families and local businesses find the right financial solutions to achieve their goals.*

*He has also spent many years leading branch teams with a strong focus on building trusted relationships with customers and creating positive banking experiences. Paul believes that when you take the time to truly understand your customers and their goals, better outcomes follow for both individuals and the wider community.*

*Outside of banking Paul has also been involved in local sport, volunteering as a coach and team manager at his daughter's netball club, something he says gave him great pride in helping young people grow in confidence both on and off the court.*

*As part of the Community Bank network of Bendigo Bank, our branch exists to do more than provide banking services. By banking locally our customers help generate profits that are reinvested back into community grants, sponsorships and local initiatives that strengthen our region.*

*We warmly welcome Paul to Community Bank Bunyip. Visit the branch at 18 Main Street, Bunyip or call 5c2S c0S1 to say hello today.*

### **St. Thomas' Anglican Church A'Beckett Road Bunyip**

Last Sunday, Palm Sunday, we commenced our journey into Holy Week. This Thursday we enter into the Easter Triduum which marks the three most sacred days on our Christian calendar. The Triduum commences on the eve of Maundy (Holy) Thursday and ends at sunset on Easter Day. This is actually one service in three parts (over three days) and traces the final days of Jesus' life, His death, and then, His resurrection from the dead.

#### **EASTER SERVICE TIMES**

#### **MAUNDY THURSDAY 2nd April at 7pm (Mass of the Lord's Supper)**

Celebrates the institution of the Eucharist. And also includes the washing of the feet (as Christ washed the feet of His disciples)

#### **GOOD FRIDAY 3rd April 10 am (The Lord's Passion)**

This day commemorates the crucifixion. It marks the day Jesus died for the sins of the world. The Service includes the 'Veneration of the Cross'. This service will be followed by **Stations of the Cross at 11.30am**. Good Friday is a day of fasting and abstinence.

**HOLY SATURDAY 4th April** There is *no daytime Service* on Holy Saturday. It remains a day of fasting and sorrow before the Easter Vigil begins. But on this day we recall, with Mary and the disciples, that Jesus died and was separated from them for the first time as He lay in the tomb.

#### **EASTER SUNDAY 5th April 10 am Mass of the Lord's Resurrection.**

Easter Sunday is a wonderful celebration. It is the day we celebrate the resurrection of Jesus. We renew our Baptismal Vows and sing: **Alleluia, Christ is risen'**.

#### **REGULAR MARCH SERVICES AT ST. THOMAS**

**10am every Sunday:** Eucharist followed by morning tea in the Parish Hall.

**11.45 am every Wednesday:** Mid week Eucharist followed by lunch in the Meeting Room in Parish Hall.

#### **ST. THOMAS' OP SHOP**

Regular hours are Thursdays and Fridays: 10am and 3pm.

**Please note that St. Thomas' Op Shop will be closed on Good Friday.**

**The Reverend Christine Angus** (Priest in charge) 0409 217 321

**The Reverend Fr. Ken Parker** (Associate Priest) 5976 1634
